

Employment Verification and E-Verify Control Record

TRACKER ONLY; use official I-9 and E-Verify procedures. I-9 follows offer acceptance. W-4 is a payroll form, not an E-Verify input. A tentative mismatch must follow official notices, rights and deadlines; do not auto-suspend or reject. Keep case and identity details restricted.

Employee and timing

Employee full name

Employee ID / hire reference

Role / work location

Prepared by / date

Accepted offer reference / acceptance date

Actual first employment day

Employee I-9 Section 1 receipt / version

Employer Section 2 due / completed / authorized verifier

Official process
