

Training Video Employee Attestation

Use the signed-in employee attestation in Employment > Onboarding as the authoritative app record.

This paper/alternative form does not bypass watch progress, identity, quiz or version controls.

Never sign for another employee.

Training identity

Employee full name / ID

Training title / training ID / version

Video identifier or hash / language

Full viewing completion time / evidence reference

Knowledge-check result / correction reference

Separate employee confirmations

I watched the full identified training video: Yes / No

I understand the training and know how to ask for help: Yes / No

Attestation

I confirm that I watched the identified training in a language or accessible format I understand. I had an opportunity to ask questions. I understand the procedures covered, know when to stop and request help, and will follow approved site instructions. This records my attestation; my supervisor separately verifies practical competence.

Signature

Employee full-name signature / date

Training Video Employee Attestation

Approved alternative / HR reviewer / reference

Supervisor review / date
